IF YOUR PET IS BOARDING AND SCHEDULED FOR A BATH OR GROOM, PICKUP WILL BE AFTER 3:00 PM ON THE DAY OF RETURNING HOME, UNLESS SPECIFIED OTHERWISE.

Bathing

Treat your pet to a luxurious bath! Our special cleansing baths remove dirt, debris and pet odor. Your pet will feel fresh and revitalized. If scratching is a problem, our medicated baths contain soothing agents that stop the itching. Each bath includes a nail trim, ear cleaning and basic anal gland expression to give your pet the full spa-like experience and come home to you feeling fresh and revitalized.

- Bath Medicated Bath (\$5.00 more)

Grooming

Our professional groomer can provide specific cuts, shave downs, brush outs, or trims to any cat. She will work with you to ensure that you are pleased with how your pet looks and feels after the grooming visit. If your pet's look requires more frequent care, our staff may recommend a maintenance schedule for your pet to be touched up on a regular basis to keep them looking and feeling fabulous!

Our professional groomer can provide specific cuts: Please provide photos for groomer if possible.

- Lion Cut Boots

If cut not listed above, please give a short description of desired cut: _____

Length of hair you would like left? 1. (3/8 inch) #4 Blade 2. (1/6 inch) #10 Blade 3. (1/8 inch) #7 Blade

- Modified Hygiene Trim to tidy up all over. (face, feet, ears and rear)
 Brush-out/Shed-Out (excessive matting may need to be trimmed out, for the comfort of your pet)

Additional Services (check those services you authorize; an additional charge will apply to all of the below)

- Sedation if necessary (Kitty Magic Sedation will always be on estimate. If your pet is calm during groom no sedation will be given)
 Shave if pet is too matted to groom otherwise

NOTE: IF FLEAS ARE FOUND ON YOUR PET, WE WILL ADMINISTER CAPSTAR, AN ORAL MEDICATION, AT AN ADDITIONAL CHARGE. IT WILL KILL ALL FLEAS PRESENT AT THE TIME OF GROOM. WE DO THIS IN THE BEST INTEREST OF YOUR PET, AS WELL AS OTHERS IN THE HOSPITAL. PLEASE NOTE THAT ADDITIONAL CHARGES MAY BE APPLIED, DUE TO COAT CONDITION (e.g. HEAVILY MATTED)

Thank you!
